

# I N S T R U C T I O N S

---

- 1 - Download all files
- 2 - Send brushes and color palettes individually to iPad
- 3 - Send MANDALA-CREATOR.procreate to iPad
- 4 - Open in Procreate
- 5 - Open layers panel and select grid to use
- 6 - Open grid group and select "Draw one me" layer
- 7 - The assisted symmetrical drawing setting is already set-up
- 8 - Use the grid to guide your drawing
- 9 - Add multiple grids to increase complexity
- 10 - At the end you can use the gold foil image as a mask to get the shiny look.
- 11 - If you have any questions or suggestions feel free to message me at [samsonvowles@gmail.com](mailto:samsonvowles@gmail.com) and I'll get back to you ASAP
