## How to install presets (Adobe Lightroom 2.0 - 5.0+)

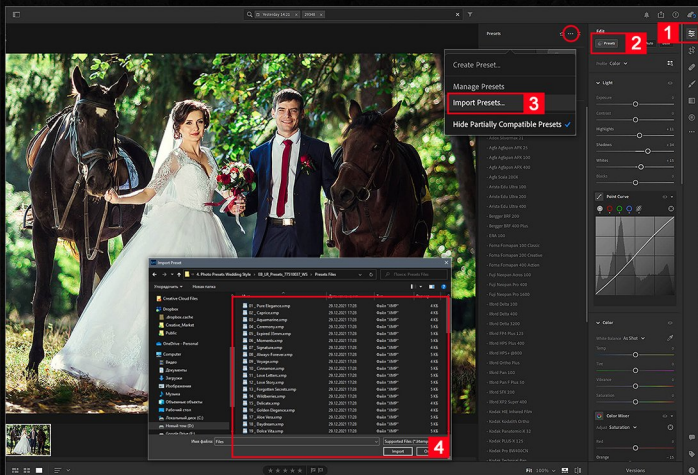

The file will be downloaded to your Downloads folder. Extract the files from the zip archive. You will get the folder with presets files (.xmp extension) and PDF preview album.

**Step 1** Open your Lightroom application and go to the Editing section (Three horizontal lines).

**Step 2** Open the Presets section. Click on the Presets bar at the bottom of the Editing section in Lightroom.

**Step 3** Click on the three dots and choose "Import Presets..."

**Step 4** Locate the unzipped preset/-s on your hard drive using the file browser. Select the preset/-s you want to install (Wedding Style > Presets Files) and click on the "Import" button, and you're done.

## Miracle Design Studio License Agreement

All Miracle Design Studio products are made available to you under the terms of this license agreement. By purchasing, or by installing or using the products, you are consenting to be bound by this agreement.

The licensee is granted a non-exclusive, non-transferrable, royalty-free, single user license. The products may only be used by the licensee unless expressly permitted by Miracle Design. Under this license agreement the products may be used for private and professional applications, including commercial use in a photographic studio.

You may also use the products in the creation of any photographic prints for sale by you or multi-media or print project, such as albums, cards, books, prints, websites, calendars and other printed promotional items. All rights not expressly granted to you in this Agreement are specifically reserved to Miracle Design Studio.

The licensee is not entitled to sell, market, distribute, duplicate or grant rights to the products or images contained within the products to any other third party. Miracle Design Studio products may not be resold without an authorized reseller agreement in place. This includes via auction sites & blogs.

You may not post any products or portion thereof or derived works to forums, newsgroups, mail lists or electronic bulletin boards in a downloadable format. You may not copy, modify, sublicense, sell, distribute or transfer any part of any product and you agree to prevent unauthorized copying of the product. Unauthorized reproduction, modification, sale or distribution is subject to civil and criminal penalties.

Use of a product in a manner that is contrary to a restriction stated in this Agreement is prohibited. Use of a product in a manner not specifically authorized by this Agreement constitutes an infringement of our licensors' proprietary rights and will subject you to infringement damages for, but not limited to, any loss of sales, profits or goodwill caused by the licensee's failure to comply with this agreement.

Restrictions and limitations. The use of Miracle Design Studio products may require additional components from third-party software providers. Third-party software are not included in the purchase of the products. The installation and use of third party components may also be governed by additional license agreements specific to those products.
