Dear Customer,

Thank you for purchase my product. You don't have to be Photoshop master for editing PSD Mockups.

All PSD files, have RED and YELLOW layers

| | RED Layer : RECOMMENDED TO NOT REMOVE |

MEAN : Do not delete or change this layer. It might effect Reflections or Shadows.

| | YELLOW LABEL : OPTIONAL |

MEAN : This layer have a option

| | GREEN LABEL : DETAIL OPTIONS |

MEAN : You can edit this layer

EDITING MOCKUP

1) To editing your Purchased Mockup, click "EDIT THIS" layer's icon
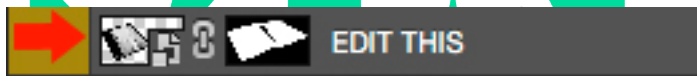

2) Opened scene, remove "DELETE THIS" Layer

3) Put your design under "YOUR DESIGN HERE" layer

4) And Save it ! (File > Save --- CTRL + S or CMD + S)

5) Done !

(I'm going to sleep ! It's 04:30 AM here now)

Please don't forget the rate my Mockup. You are free to rate (but 5 star would be awesome!)

THANK YOU
