How To Use Shadow Overlays

1.   Open Adobe Photoshop.
2.   Install _Shadow Overlays.atn
(Window > Actions > Load Actions)
3.   Open a photo.
4.   Open the Actions Panel
5.   Start one of the actions (Option 1 or Option 2).
6.   Choose a suitable overlay in the action process.
7.   Enjoy with results!

Thanks for the purchase!
