Thank You For Downloading Our Product
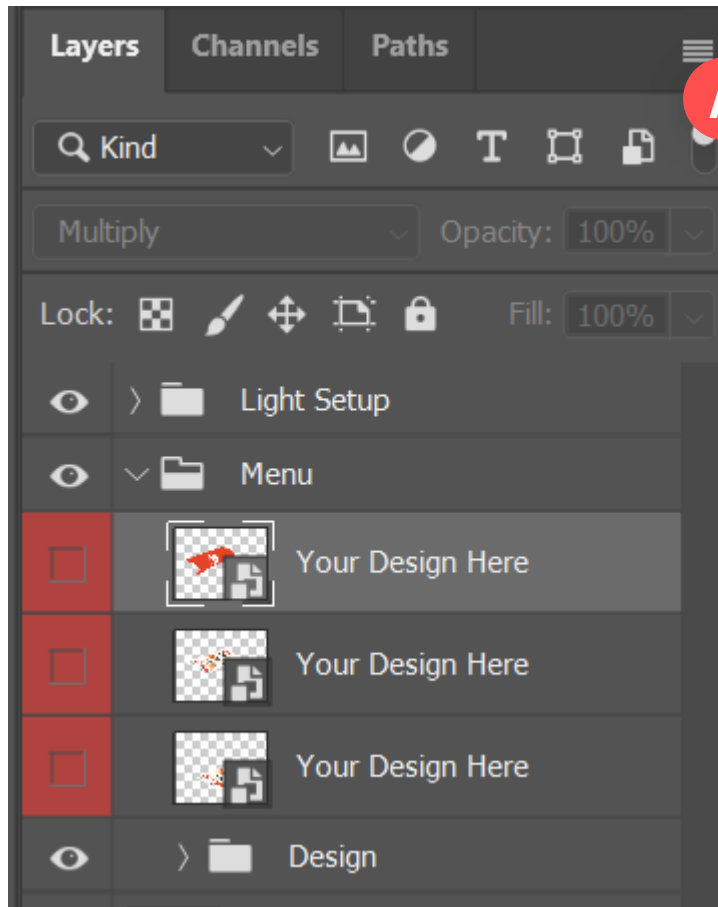

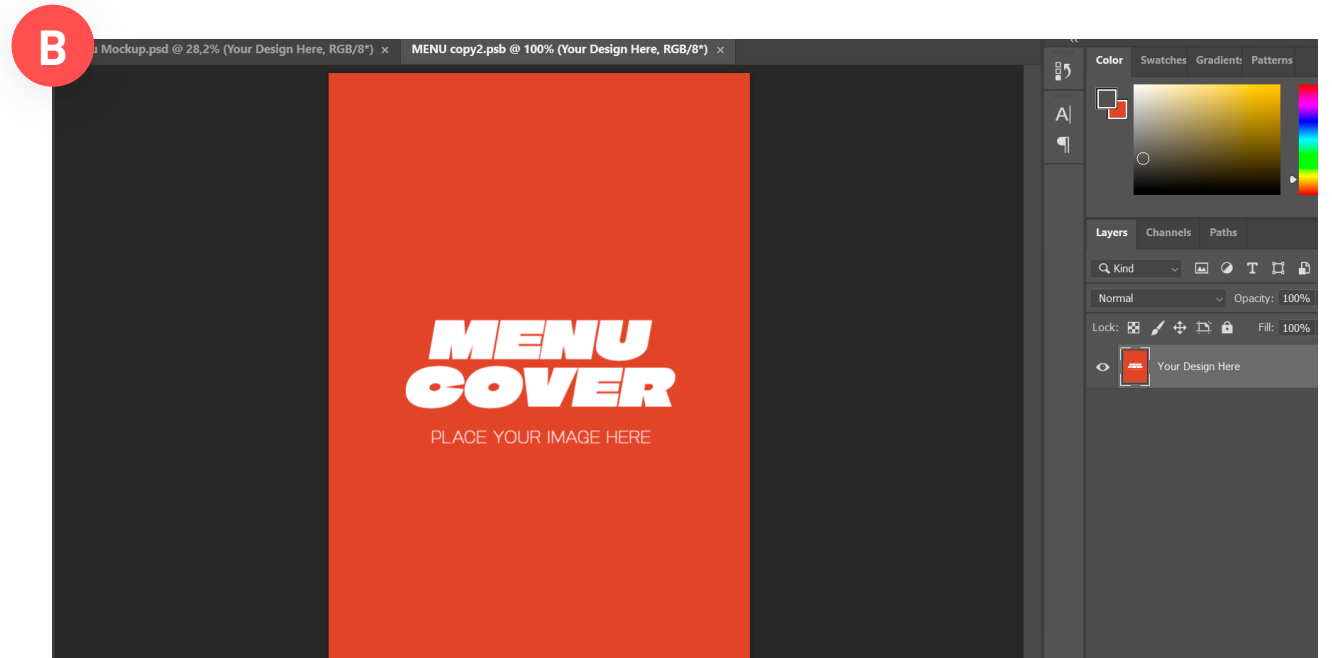

1. Add Image To Mockup

A. To replace the design just double-click the thumbnail layer marked with red color

B. If new tab opened then replace with your design (see the picture below).
Then save and close the tab.

2. Save as Image

To save as image press Ctrl+Shift+S (on Windows), Command+Shift+S (on MAC), or select File – Save As. Then choose a format and click Save. Enjoy!
