

HOW TO USE IT

PROJECT NAME

SPRAY MOCKUP

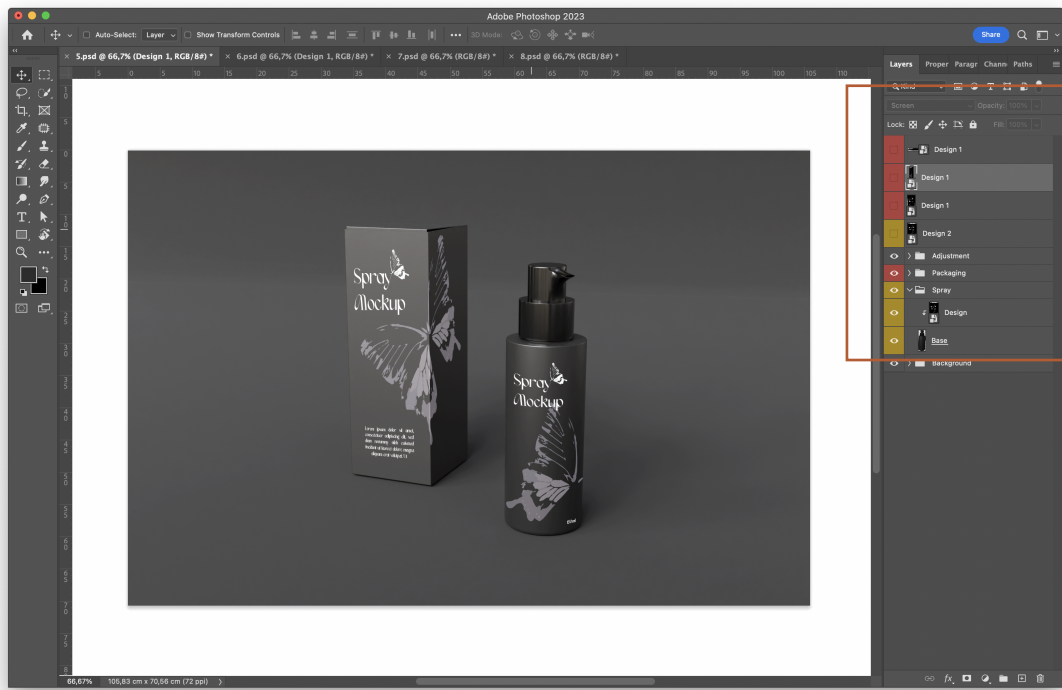

Spray mockup is a high quality, well organized and easy customizing template. Just drop your image, edit color and enjoy result!

INSTRUCTION STEP

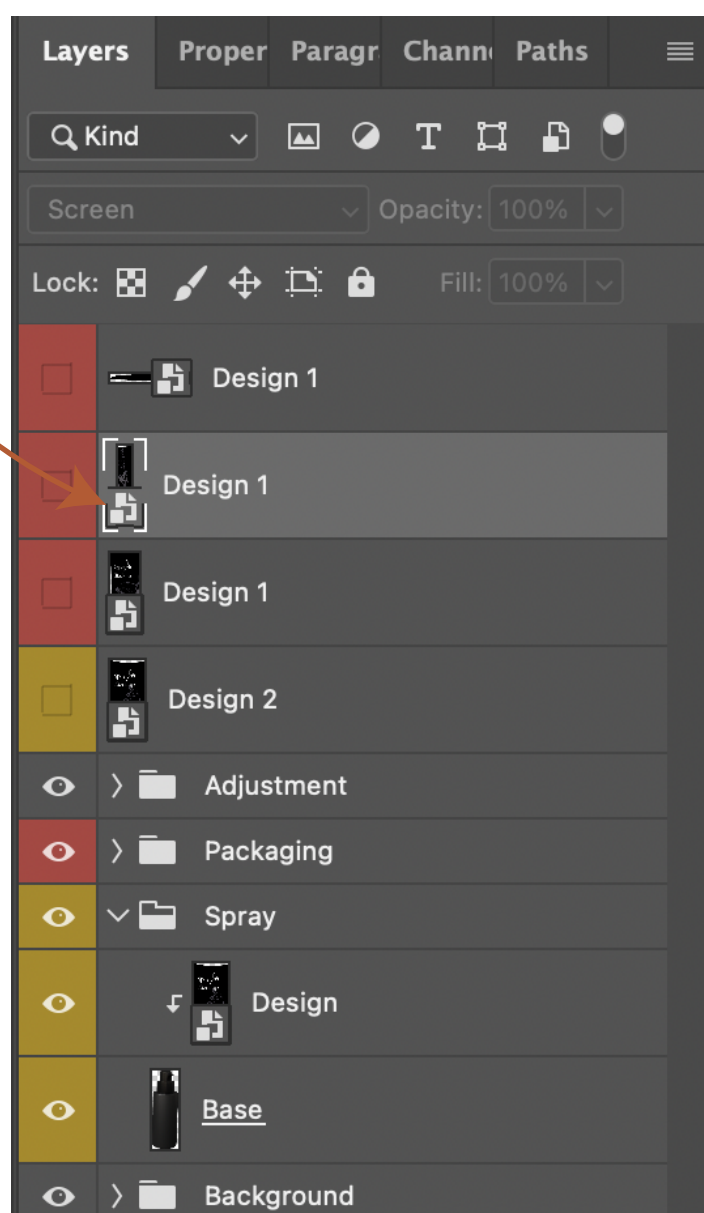

Adobe Photoshop CC 2021 required to open and edit these mock up files.

Here are a few instructions that will help you to place your own design.

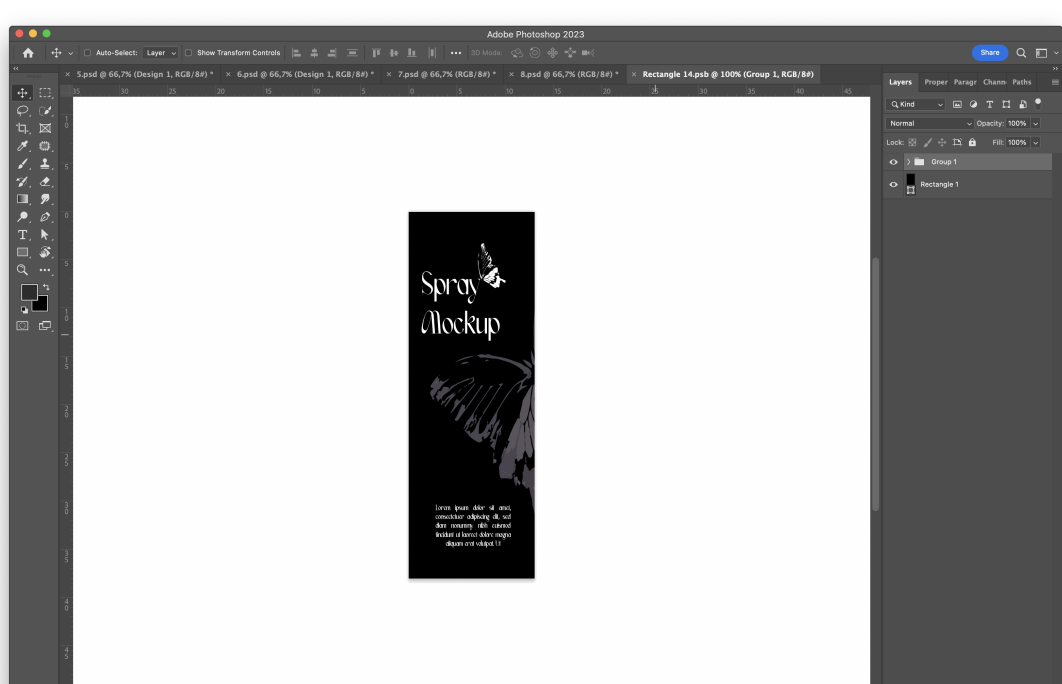

1. Open psd file, then you see the layers board

2. Open “Design”, double click on “smart object” icon at the right bottom of the layer you want to change or right click -> edit content.

3. A new window is opened. Click File -> Place link then place your design there. File -> Save or press Ctrl/Command + S to save your file.

4. Back to main window, your mock up was changed. Enjoy result!

FONTS USED:

Doky
