

Hi, Thanks for purchasing the product.

- Use 'Red Marked' layers to place your design
- Double click on  Smart Object to go inside of the layer
- No need to touch 'Green Marked' layers
- If you want to put your own background then put that on the 'BACKGROUND' layer inside of the 'BASEMENT' layer group

- And sometimes 'blue' for any kind of special effects

After purchasing the product if you get any kind of problem, feel free to contact our support - Mdreyad.ram@gmail.com
