

## Storyboard Templates Help:

Thank you for purchasing an item from NM-Design-Studio. This template is fully editable in **Adobe Photoshop** so you can easily add your own photos.

### How to add your own Photos?

Open the photos you would like to use. Select the move tool and drag the photos one layer on top of the layers named "**clipping mask**". With the photo layer selected press **Control+Alt+G** (Photoshop CS2 and newer). Now you can resize or adjust the position of your photo to suit your needs.
